**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,
i prefer the services of a local provider
i get instant help when i need it unlike the att device i had previously
i think it benefits most people to have some choices in providing services
as a senior i prefer competitive pricing
i do not wish to pay higher fees for the internet and phone service
as a small business owner i support broadband competition
thank you
